

40 FOOT 6 ROOM PRODUCTION HONEYWAGON

We Invented the 6 room honeywagon as the next logic step from the 5 room production honeywagon.

6 large dressing rooms. 40 FT of wardrobe racks throughout. All six dressing rooms can be connected into 3 large rooms. The front room couch flips up into a 2 station make-up counter. Either or both of the 2 rear double rooms can work as wardrobe. Also included are 6 fold down work tables. 40 FT of overhead shelf space. Fully heated and air conditioned of course!
